

**EDC  
Performance  
Improvement  
Plan Needed**

**Summary of Services and Leadership Governance  
Missing in El Dorado County - October 2019**

Mental Illness and Co-occurring Substance Abuse EDC Strategic Plan Exists and well-communicated

Psychiatric Emergency Response Teams (PERT) both slopes: **this is currently non-existent in SLT**

Homeless Outreach Team (HOT) both slopes: **this is currently non-existent in SLT**

Jail Policies that support screening, treatment, monitoring for psychosis and use of in-patient hospitalization, and long-acting-injectables on jail formulary

Behavioral Health Court well-known, well-functioning, with policies and clear criteria

Pre-trial Diversion - **non existent**

5150 Probable Cause Assessments consistent and unbiased; allowing experts to determine whether individual meets 5150 criteria

CIT Training Complete / Refreshers complete: Trend Reporting on both slopes

Multi-Disciplinary Team meetings are well attended: on both slopes (**SLT sparse attendance**)

Linkages to services post hospital release: measured

Public Guardian LPS Conservatorship vs Probate LPS conservatorship well communicated; guidance to families are easily found on county websites; process/policies exist pre-hospitalization and during hospitalization.

Policies and Procedures are current and reflect strategy
